- PSLE exam strategies & targeted practice

OUR CHINESE LEARNING JOURNEY

WHY CHOOSE LITTLE EARTH CHINESE TUITION?

CHINESE LEARNING THAT GOES BEYOND THE CLASSROOM.

We create an environment where children learn it, speak it, read it, use it and enjoy it every day.

DAILY CHINESE COMMUNICATION

Chinese is used every day at Little Earth!

- Encourage children to speak Chinese in daily conversations
- Ask questions, give responses, share ideas
- Build confidence through real-life interactions
- The more they use, the more naturally Chinese becomes part of them.

AI-ASSISTED CHINESE LEARNING

Technology that helps children practise more.

- AI oral practice – conversations & responses
- Vocabulary learning – listen, speak, understand
- Interactive picture-book reading
- Pronunciation & reading aloud practice
- Question & answer practice
- Repeated practice for better mastery

CHINESE ENRICHMENT & READING

Learn through interest and experience.

- Picture books, stories & fables
- Chinese culture & festival activities
- Drama, storytelling, songs & games
- Creative projects & hands-on activities
- Develop interest while improving language skills

STRONG ACADEMIC FOUNDATION

Systematic learning for long-term success.

- MOE-aligned curriculum
- Vocabulary → Sentence → Reading → Expression → Writing
- Build solid basics before moving to higher levels

READING & COMPREHENSION STRATEGIES

Understand better, answer better.

- Find keywords & understand context
- Infer meaning & locate evidence
- Structure answers clearly & accurately
- Practice open-ended & higher-order questions

WRITING SKILLS STEP BY STEP

From good sentences to excellent compositions.

- Good words & phrases
- Sentence expansion & paragraph writing
- Story structure & content planning
- Complete compositions with depth and creativity

TARGETED TEACHING & PROGRESS TRACKING

Every child is unique. We teach what they need.

- Diagnose strengths & weak areas
- Target vocabulary, comprehension, expression and writing gaps
- Regular feedback to parents
- Track progress and celebrate improvement

EXPERIENCED CHINESE TEACHERS

Guided by teachers who care.

- 5 years+ teaching experience
- Skilled in engaging lessons
- Passionate in nurturing confidence and character

At Little Earth, we believe every child can learn Chinese well when they are guided with the right methods, supported every day and given the opportunities to practise and grow.
